Introducing the project

What is Open Museums?

European Museums stay open through digital technologies

OPEN MUSEUMS is a project co-funded by the Erasmus+ programme that aims to assist small and medium museums in proceeding to their digital transformation.

Check the Competence Guide and our Collection of Best Practices in museums

We invite you to download the Open Museums Competence Guide, where we examine the situation of small museums in Europe concerning digital transformation and establish the contents of our future MOOC.

Don't miss the inspiring collecting of best practices as well!

Meeting in Athens

Project member met in Athens on January to assess first progresses.

This was our first face-to-face meeting and a nice starting point to start preparations for the MOOC we expect to launch by the end of 2022. In April we'll meet again in Rossano (Italy) for a Learning/Training Activity.
